Pinkalicious and peterrific party supplies

Imagine creating a game! The Pinkalicious Party app is designed to allow children to explore the visual arts, experiment with music and discover the creative process of making works of art. Customize invitations, decorate piñatas, cupcakes and more. Choose a place to explore different interactions and discover hidden surprises in each country! More + It's a pinkolyish party! In this Pinkalicious > PeterrificTM, children use their imagination and creativity to plan and design a party with Pinkalicious and her friends. The Pinkalicious Party app reinforces the open-ended arts curriculum, which allows children to get acquainted with visual arts, music and the creative process of crafting art. Whether it's decorating cupcakes or creating piñatas for your friends, each experience is unique and pincastic in its own way! Design party locations- Choose from six unique locations: Peter's Bedroom, Pincalis bedroom, Pinkerton's backyard, the zoo, Pinkville Green, or the beach! Cupcakes- Decorate some delicious treats with pink cream, sprinkled and colorful wrappers. Then serve cupcakes to Pinkalius, Peter and all their friends! Music producer- Experiment with music and try all the party horns, listening to their different sounds and notes while transmitting them to characters and making their own songs. Photo Booth - Take a photo, choose a photo from your device, or use a photo of a hero to decorate and frame the party. The decorated photo will be saved for the device to view and share with family and friends! Piñata - Choose your favorite shape and immerse it in paint and decorations, then open piñata to see treats inside! CREATIVITY >ART Any activity is designed for children to use art, music and imagination to create a party that is uniquely their own! Each location is filled with interactions your child can explore: eavesdropping on decorations to change them, moving the characters, and finding small surprises hidden in each country.
